

ASPRS 2022 Annual Conference (Virtual) Sponsorship Opportunities

The virtual component of the ASPRS 2022 Annual Conference will be held March 21 to March 25, 2022. This format is an attractive convenient presentation venue for remote sensing professionals globally who are unable to travel. This year, ASPRS will be offering a select number of Vendor Spotlight opportunities. "This is an excellent opportunity to reach ASPRS Conference attendees and to invite non-attendees to participate in a vendor product demonstration," said Karen Schuckman, Managing Director, ASPRS.

Vendor Spotlight/Product Demo

\$1000

Each Vendor Spotlight/Product Demo will include

1. 30-minute time slot available during conference week
2. Vendor Spotlight/Product Demo listed in the conference program
3. Free for conference and non-conference attendees. There will be separate URL for each Vendor Spotlight/Product Demo
4. List of Vendor Spotlight/Product Demo attendees supplied to vendor at the end of the conference.
